SERVICE AND REGULATORY ANNOUNCEMENTS

BUREAU OF ANIMAL INDUSTRY

JANUARY, 1927

This publication is issued monthly for the dissemination of information, instructions, ruling, etc., concerning the work of the Bureau of Animal Industry. Free distribution is limited to persons in the service of the bureau, establishments at which the Federal meat inspection is conducted, public officers whose duties make it desirable for them to have such information, and journals especially concerned. Others desiring copies may obtain them from the Superintendent of Documents, Government Printing Office, Washington, D. C., at 5 cents each, or 25 cents a year. A supply will be sent to each official in charge of a station or branch of the bureau service, who should promptly distribute copies to members of his force. A file should be kept at each station for reference.

SICK LEAVE ON AFFIDAVIT

In checking the leave applications forwarded to Washington from the various field stations of the bureau during the calendar year 1926, it is noted that in some instances employees have been granted more than two days' sick leave on affidavit. In this connection see paragraph 514 of the Administrative Regulations of the department. Care should also be taken to see that affidavits covering sick leave taken before a notary bear the notarial seal.
